### Justification

The decision has been issued on the basis of currently binding regulations, mentioned at the outset, and after having analysed the request of "3RE" sp. z o.o. sp.k. with its registered office in Choszczno at ul. Stargardzka 4, concerning the case in question. In the course of the proceedings carried out, pursuant to Article 155 of the Act of 14 June 1960 - Code of Administrative Proceedings (consolidated text: Journal of Laws of 2017 item 1257), a verification of the final decision in terms of admissibility of its amendment due to legitimate interest of the party has been carried out.

The amendment in question is connected with adaptation of the relevant permit to the requirements of the Act of 11 September 2015 on waste electrical and electronic equipment (Journal of Laws of 2015, item 1688). While amending the relevant decision, the authority has taken into consideration the party's demand which arose from the circumstances indicated in the above justification.

Recognising the request submitted as the basis for issuing this decision and that all works connected with correct operation of the installation will be performed in accordance with regulations in force in this respect, as well as that all terms and conditions of this decision will be fulfilled, **it has been decided as stated hereinabove.**

### Instruction

The party has the right to appeal against this decision to the Minister of Environment via the Marshal of the West Pomeranian Province within 14 days from the date of its delivery. During the period for lodging an appeal, the party may waive the right to lodge an appeal to the public administration authority which has issued the decision. As of the date of serving the Marshal of the West Pomeranian Province with the statement on waiving the right to lodge the appeal by the party to the proceedings, the decision becomes final and legally binding.
