

**Marshal Office
of Zachodniopomorskie Voivodeship**

Szczecin, 30 September 2013

WOŚ.II.7243.8.3.2013.IB

DECISION

Pursuant to Article 155 and Article 104 of the Act of 14 June 1960 on the Code of Administrative Proceedings (the harmonised text in the Journal of Laws from 2013, Item 267), in relation to Article 181(4) and Article 378(2a) of the Act of 27 April 2001 on the Environmental Protection Law (Journal of Laws from 2008, No. 25, Item 150 as amended) and Article 41(6) and Article 45(6), (7), and (8) of the Act of 14 December 2012 on waste (Journal of Laws 2013.21 as amended), having examined the application filed by Mr Michał Okonowicz, representing P.P.H.U. DUOMAT 2 with its registered office in Recz, for an amendment to the permit to produce waste taking into account the activity in processing hazardous and other waste in relation to the operation of the Waste of Electrical and Electronic Equipment Processing Plant in Choszczno, 29F Dąbrowszczaków street

I hereby decide as follows:

To amend the decision of the Marshal of Zachodniopomorskie Voivodeship of 31 July 2013, ref. No. WOŚ.II.7243.3.3.2013.IB,

1. **To extend** the above-mentioned permit to take into account the requirements provided for a permit for waste collection;
2. **To add** section 3a as follows:

To determine the following types of waste to be collected taking into account the sites and method of storage and the type of stored waste according to Table No. 4.

Code	Type	Site and method of storage
Hazardous waste		
16 02 13*	discarded equipment containing hazardous components other than those mentioned in 16 02 09 to 16 02 12	Selective storage in the warehouse of hazardous waste designated for disassembly
16 02 15*	hazardous components removed from discarded equipment	
20 01 35*	discarded electrical and electronic equipment other than those mentioned in 20 01 21 and 20 01 23 containing hazardous components	

LIDEX Sp. z o.o. Oddział Gdynia
ul. Szkolna 10/14, 81-363 Gdynia

Non-hazardous waste		
16 02 14	discarded equipment other than those mentioned in 16 02 09 to 16 02 13	Selective storage in the warehouse of hazardous waste designated for disassembly in premises with hardened surface on shelves;
16 02 16	components removed from discarded equipment other than those mentioned in 16 02 15	
20 01 36	discarded electrical and electronic equipment other than those mentioned in 20 01 21, 20 01 3 and 20 01 35	

3. **To add section 6a** as follows:

'To indicate the site of collecting waste - Waste of Electrical and Electronic Equipment Processing Plant in Choszczno, 29F Dąbrowszczaków street (plot No. 69/10 – the warehouse of the service-production-storage hall'.

4. In section 8 after 'according to tables 1, 2, 3 enclosed hereto'

to add: 'table No. 4'

5. **To replace** the graphic enclosure enclosed to the decision of 31 July 2013 ref. No. WOŚ.II.7243.3.3.2013.IB with a new graphic enclosure marked with letter A, enclosed hereto.

6. **To add** the following section 9a:

'To determine the method of collecting waste – Waste shall be collected from waste collection points, followed by the assessment of waste, its weighting and segregation into fractions (codes). Next, waste, before its transfer for processing, shall be placed in properly marked sites in the warehouse (manual transport and fork lifts). Waste that is not processed at the plant shall be transferred to licensed contractors.

7. Other terms and conditions of the Decision of the Marshal of Zachodniopomorskie Voivodeship of 31 July 2013, Ref. No. WOŚ.II.7243.3.3.2013.IB **shall remain unchanged.**

Justification

This Decision has been issued under applicable regulations mentioned in the preamble and upon the analysis of the application filed by Mr Michał Okonowicz, running his business activity under the firm: Przedsiębiorstwo Produkcyjno-Handlowe 'DUOMAT 2 with its registered office in Recz, 9 Chyża street, for amending a permit for processing waste taking into account the activity in processing and collecting waste in relation to the operation of the Waste of Electrical and Electronic Equipment Processing Plant in Choszczno, 29F Dąbrowszczaków street.

According to the submitted application, the amendment concerns the extension of the said permit with regard to the requirements provided for the permit for waste collection.

Recognising the submitted application as the grounds for using this decision and that any and all work related to waste management shall be carried out in compliance with

applicable regulations in this respect and that all the terms and conditions hereof shall be fulfilled, **the decision has been taken as given in the preamble hereto.**

This Decision may be appealed against to the Minister of the Environment via the Marshal of Zachodniopomorskie Voivodeship within 14 days of the receipt hereof.

Authorised by the Marshal of Voivodeship

Mariusz Adamski

Director of the Department of Environmental Protection

Pulsed-field gel electrophoresis was performed as described previously [10].

Table 1. The results of the regression analysis of the factors influencing the use of the Internet for information search. The dependent variable is the frequency of use of the Internet for information search (times per week). The independent variables are the demographic and attitudinal factors. The results are presented in the form of standardized regression coefficients (beta weights) and the adjusted R-squared value. The adjusted R-squared value is 0.12.
